

I did not know what to expect when I came to the United States for the first time last Christmas. I just wanted to visit America so that I could experience what it's like to have a real family... which is something I've never known in 14 years.

The Cozza's were the family that I never had. They loved me like I was one of them. The 4 weeks I spent with them were the happiest in my life.

I knew they loved me, but I never knew if I would see them again. I was shocked to see Jenelle at my boarding school in Ukraine this fall, and even more surprised when she asked if I'd like to be a part of their family. I didn't have to think twice, I didn't really know what to say besides excitedly nod yes with a huge smile on my face.

Now, I get to text and talk to Dad, Mamma, Jenelle, Kayla & Brad on the phone, but it's still so hard to wait. I want to be home in Ohio soon. I can't wait to be with my family forever.

reminder to pray  
for The Cozza  
Family!

*Even before he made the world, God loved us and chose us in Christ to be holy and without fault in his eyes. God decided in advance to adopt us into his own family by bringing us to himself through Jesus Christ. This is what he wanted to do, and it gave him great pleasure. So we praise God for the glorious grace he has poured out on us who belong to his dear Son.*

Ephesians 1:4-6 (NLT)
