**Every year on August 31st,
an entire graduating class of orphans is sent out of
orphanages all across Eastern Europe.**

**Most without adequate life skills,
without much more than the bags on
their backs, & well wishes to find a
place at trade schools.**

**No family, no mentors,
no chance for adoption ...no hope.**

**Within a few years over 80% will
find themselves trapped in lives of
poverty, crime, prostitution,
addiction, incarceration, or dead.**

What can be done?

***New Horizons for Children
Orphan Hosting Program reaches
the often unreached teens in
Eastern Europe.***

***Winter & Summer host families
minister to orphans by teaching:***

- *English*
- *Life Skills*
- *Functional

***Will you join us in praying for
these orphans on August 31st ?***
